Collection, transport, preparation, and storage of specimens for molecular methods (CLSI MM13, 2 <sup>nd</sup> edition)	Sunggyun Park (Keimyung University)	
Validation and verification of multiplex nucleic acid assays (CLSI MM17, 2 <sup>nd</sup> edition)	Jinyoung Hong (Hallym University)	
Laboratory detection, identification, and sensitivity testing of mycobacteria	Kyutaeg Lee (Green Cross Laboratories)	
Diagnostic performance and quality control of COVID-19 testing; molecular diagnosis and immunological diagnosis	Ki Ho Hong (Yonsei University)	
11:00-12:00 <i>Break time / Exhibition / Social Activity</i>		
12:00-13:00 <b>Luncheon Symposium 1</b> Chair: Nam-Yong Lee (Sungkyunkwan University)		
How IT tools and surveillance system could contribute to improve patient care?	Stéphanie Le Page (Global associate medical Director in bioMérieux)	
13:00-13:10 <i>Opening Remarks</i>		
13:10-14:00 <b>Keynote Lecture</b> Chair: Mi-Na Kim (University of Ulsan)		
Implementing Antimicrobial Stewardship Programs in Korea	Shin-Woo Kim (Kyungpook National University)	
14:00-15:40 <b>Symposium 1. Joint symposium of KSCM and JSCM</b> Chairs: Takashi Takahashi (Kitasato University), Sun Joo Kim (Gyeongsang National University)		
Syndromic testing for the diagnosis of respiratory tract infections in Japan	Hikomichi Suzuki (University of Tsukuba)	
Syndromic testing for the diagnosis of urogenital tract infections in Japan	Satoshi Takahashi (Sapporo Med. University)	
Multiplex detection of gastrointestinal pathogens in Korea	Yong-Hak Sohn (Seegene medical foundation)	
Rapid identification of pathogens and drug resistance genes associated bloodstream infection	Jae Hyeon Park (Seoul National University)	
15:40-16:20 <b>Poster Presentation [2F Seoul Hall]</b>	15:40-16:20 <b>Poster Presentation</b>	
16:20-18:00 <b>Symposium 2. Innovations in clinical microbiology</b> Chairs: Yeon-Joon Park (Catholic University), Dongeun Yong (Yonsei University)		
Diagnosis of sepsis: From blood culture to new biomarkers	Young Ah Kim (National Health Insurance Service Ilsan Hospital)	
Emerging technique for diagnosis of infection or resistance	Taek Soo Kim (Seoul National University)	
Expanded clinical use of MALDI-TOF in clinical microbiology	Jae-Seok Kim (Hallym University)	
Application of metagenomics in clinical aspect	Eun-Jeong Yoon (Korea Disease Control and Prevention Agency)	
18:00 <b>Welcome Reception</b>
