Symposium

- S1 Joint symposium of KSCM and JSCM
- S2 Innovations in clinical microbiology
- S3 Joint symposium of KSCM and KCDC
- S4 SARS-CoV-2 tests beyond diagnosis of COVID-19
- S5 Kor-GLASS symposium

Workshop

- Premeeting Workshop
by Korean Association of External Quality
Assessment Service
- W1 Updates on laboratory diagnostics of
infectious diseases of current issue
- W2 Updates on infection control measures of
current issue

Meet-the-Expert

- ME1 Basics in diagnosis of fungal infection
- ME2 Laboratory test for diagnosis and
management of tuberculosis

Debate on Hot Topics

Omicron, to be or not to be airborne?

대한임상미생물학회
The Korean Society of Clinical Microbiology
