

# 대한임상미생물학회 20차 학술대회

20th General Meeting  
The Korean Society of Clinical Microbiology

| 일시 | 2017년 7월 6일(목) ~ 7일(금) | 장소 | 부여롯데리조트  
| 평점 | 의사 연수평점 - 7월 6일(목) 6점, 7월 7일(금) 3점 / 임상병리사협회 평점 - 1점

## Recent revolution in viral infections

2017년 7월 6일

08:00-08:50	Registration	
08:50-09:00	Opening	
<b>Kor-GLASS Symposium: National Surveillance System for Antimicrobial Resistance and GLASS in Asian Region</b>		
09:00-10:50	<b>Session 1: Current status of GLASS in worldwide and Asian region</b> The global and current situation of GLASS: Dr. Sergey Eremin (WHO) National surveillance system for Antimicrobial Resistance and Adaptation of GLASS in Japan Current status of GLASS in Cambodia Current status of GLASS in Thailand Current status of GLASS in Philippines	Sergey Eremin (AMR Secretariat, WHO) Keigo Shibayama (National Institute of Infectious Diseases, Japan) Bun Sreng (Ministry of Health, Cambodia) Wantana Paveenkittiporn (Ministry of Public Health, Thailand) Sonia Sia (Department of Health, Philippines)
10:50-11:00	Coffee Break/Exhibition	
11:00-12:40	<b>Session 2: Experience and results of Kor-GLASS system</b> Extension of Surveillance System from Kor-GLASS to One-Health Establishment and introduction of Kor-GLASS system Establishment and results of Kor-GLASS system of clinics and long-term care hospitals Establishment of Quality Control Centers for National Surveillance System Results of Kor-GLASS: Gram-positive bacteria (SAU, EFA, EFM, SPN) Results of Kor-GLASS: Gram-negative bacteria (ECO, KPN, PAE, ABA, SAL) Panel discussion	이광준 (질병관리본부) 정석훈 (연세의대) 이선화 (씨젠의료재단) 박경운 (서울의대) 이혁민 (연세의대) 윤은정 (연세의대) Session 2 참석자
12:40-13:30	<b>Luncheon Symposium</b> BD 예정	TBA
13:30-15:00	<b>Symposium I: Improving the diagnosis and vaccination of viral infections</b> Improving the diagnosis and vaccination of viral hepatitis Improving the diagnosis and vaccination of influenza Improving the diagnosis and vaccination of HPV	조아라 (서울과학기술연구소) 정혜선 (이화대의대) 김택수 (서울의대)
15:00-15:30	Coffee Break/Exhibition	
15:30-17:00	<b>Symposium II (Joint Symposium of KSCM and JSCM)</b> Perspective of our past and future relationship: Japan Perspective of our past and future relationship: Korea Development of rapid and portable diagnostic assays for Ebola and Zika virus diseases Current challenges of viral infections in Korea	Kazuhiro Tateda (Toho Univ., Japan) 김선주 (경상의대) Jiro Yasuda (Nagasaki Univ., Japan) 성흥섭 (울산의대)
17:00-17:20	Photo	
17:20-18:10	<b>Oral Presentation I (English)</b>	4 abstracts
18:10-18:40	Poster Presentation	
18:40-21:00	Welcome Dinner	

2017년 7월 7일

08:00-09:00	Industry Workshop	
09:00-10:40	<b>Oral Presentation II</b>	9-10 abstracts
10:40-11:00	Coffee Break/Exhibition	
11:00-12:00	<b>Special Lecture</b> Microbial diagnosis by genomics versus proteomics	강창원 (KAIST)
12:00-13:00	Lunch	
13:00-15:00	<b>Symposium III: Current status of viral outbreaks</b> Current status of viral outbreaks: MMR (measles, mumps & rubella) Current status of enterovirus outbreaks Current status of norovirus outbreaks Current status of Avian/Swine Flu outbreaks	이동한 (질병관리본부) 윤기욱 (서울의대 소아청소년과) 최영진 (순천향의대) 강 춘 (질병관리본부)
15:00-15:30	Closing (총회, 시상 및 폐회)
