## About APCCMI 2023

The Asia Pacific Congress of Clinical Microbiology and Infection (APCCMI) is the biennial congress of the Asia Pacific Society of Clinical Microbiology and Infection (APSCMI).

APCCMI has played a crucial role in bringing clinical microbiologists and infectious diseases specialists together in Asia Pacific countries. The primary goal of this congress is to broaden medical knowledge while strengthening personal and professional networks.

## Host City, Seoul

Seoul, with a history of thousands of years, is the capital of Korea and a metropolis of 10 million inhabitants.

The city offers a unique cultural experience that combines the old and the new cutting-edge technologies, trend-setting Korean wave, and brilliant historical sites, relics and traditions.

## Congress Venue, COEX Convention Center

Korea's premier convention venue located in the Gangnam district.

**We look forward to welcoming you to Seoul in 2023!**
